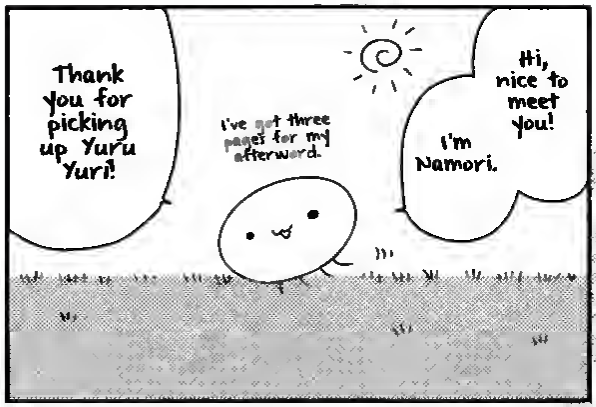
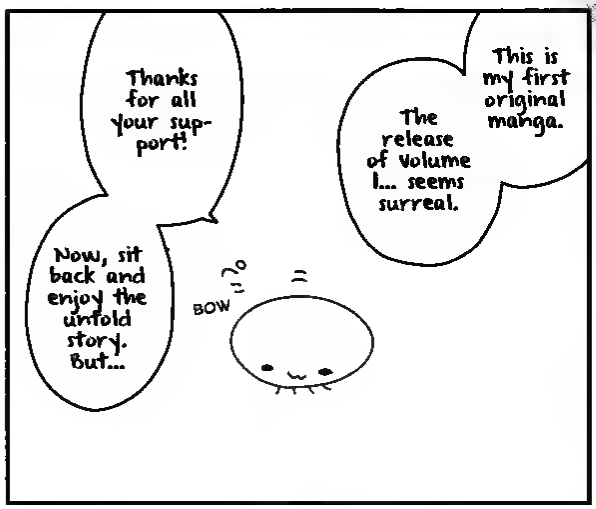
Original Manga For This Volume

Afterword



Thank you for picking up Yuru Yuri!
I've got three pages for my afterword.
Hi, nice to meet you!
I'm Namori.



Thanks for all your support!
This is my first original manga.
The release of Volume 1... seems surreal.
Now, sit back and enjoy the untold story. But...

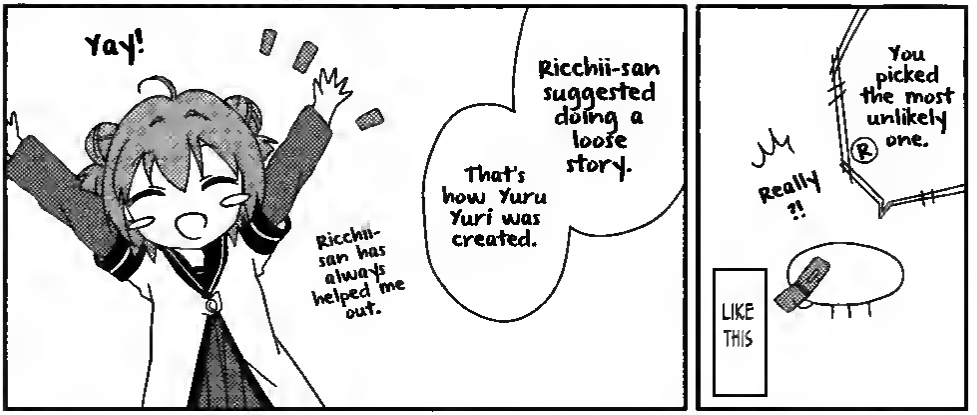
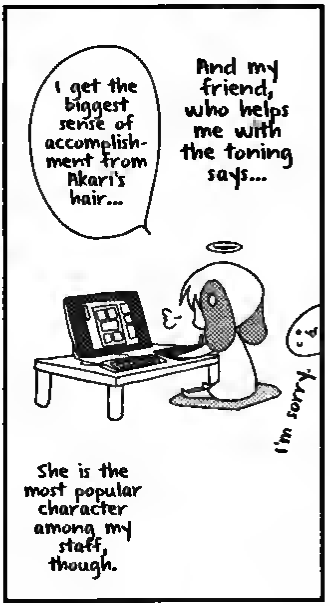
Yuru Yuri
A thought came to my editor, Ricchii-san.
ABOUT THE TITLE
Well, let's go with... Yuru Yuri.
Umm.

* The word ***yuru*** comes from a Japanese word, ***yurui***, which means "loose."

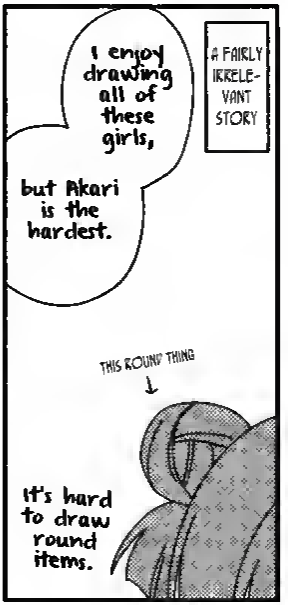


Yay!
Ricchii-san has always helped me out.
Ricchii-san suggested doing a loose story.
That's how Yuru Yuri was created.
You picked the most unlikely one.
Really ?!
LIKE THIS

I hope I can tell you this story in a different way later.
It was unintended, though ...
The personalities of the characters have significantly changed since their original setting.
ABOUT THE CHARACTERS



I get the biggest sense of accomplishment from Akari's hair...
And my friend, who helps me with the toning says...
I'm sorry.
She is the most popular character among my staff, though.



A FAIRLY IRRELEVANT STORY
I enjoy drawing all of these girls,
but Akari is the hardest.
THIS ROUND THING
It's hard to draw round items.
